TEACHER OF GEOGRAPHY

THE POST:

The position is for a permanent full time teacher of Teacher of Geography to work in a strong and vibrant Department.

THE SCHOOL:

With 2,300 students on site, Bolton School is one of the largest independent day schools in the country. It is situated a mile or so from the town centre in a pleasant wooded campus, surrounded by 32 acres of playing fields. Two adjoining and similar buildings, now attached by a recently constructed, state of the art sixth form centre house the Boys' and Girls' Senior Schools, each under a separate Head and each providing a traditional academic education from the age of 11 years. There are also separate Junior Departments for boys and girls from the age of 7 and a coeducational Infant School and Nursery.

Entry to the Junior and Senior Schools is by competitive testing and interview. Interest in the School remains very strong and numbers have increased in the senior school in recent years. Bolton School selects on academic ability, with around three applications per place in the Boys' Division. Public examination results are excellent, and despite the increased competition for university places, a large number go to their first or second choice university. At GCSE, over 60% of results are grade A or A*. Whilst the academic work of the two senior schools is largely separate, some joint working exists in the Sixth Form and there is considerable co-operation in extra-curricular activities. We seek to achieve the best of both worlds: mixed activity and single sex teaching.

The school, serving a wide area of the North West through over 20 coach routes, has for many years offered some form of fee assistance to a substantial proportion of its pupils. The school prides itself not only on its academic tradition, but on the immense range of other activities which are vigorously pursued both in and beyond the school day. The school has just completed its very ambitious plans for the development of new facilities and the refurbishment of existing buildings. A new Infant School and extended Boys' Junior school were opened in summer 2009 and a new Girls' Junior school opened in 2010. A newly built shared sixth form centre, the Riley Centre, was opened in the summer of 2013. Following this, attention is on our sports facilities.

The School operates its own salary scale.

THE GEOGRAPHY DEPARTMENT:

The Geography Department consists of four full time specialist Geography teachers and two other full time members of staff who contribute to the teaching of the subject. There are specialist geography rooms which are well-equipped with PC access and modern audio-visual facilities including apple TV. The department has fostered links with local universities and the Manchester Geographical Association.

Geography has four periods per fortnightly cycle in Years 7 and 9 and three periods per fortnightly cycle in Year 8. The department runs a popular lunchtime club for lower school pupils which aims to facilitate their interest in the subject. It is a popular GCSE choice in Years 10 and 11, with almost three quarters of the cohort choosing Geography as an option. Boys study the AQA A specification, with an average of 60% of the boys achieving grades 7-9. There is field work in the schemes of work for each year group which takes place in a variety of environments. Every three years the department embarks on an international tour of Iceland during the October half term.

At A-Level, students follow the AQA Specification with an average of 85% A* - B grades. The department has consistently gained significant value added scores. Pupils are taught by Geography graduates, who are not only passionate about their subject, but are also experienced AQA examiners. Consistently the vast majority of candidates score their best or equal best A-Level grade in geography. A significant proportion of A-level pupils will continue their studies in Geography or a related course at university level.

THE POST

We are looking to appoint a well-qualified graduate in Geography who is able to add to and complement the strengths of the department. The position may equally suit a newly qualified member of the profession, or someone with more experience; in either case the successful applicant will be a strong classroom practitioner who is able to infuse others with a love for Geography. A willingness to contribute to the extra-curricular life of the School is essential, with all staff playing a part in this important aspect of the pupil experience.

APPLICATIONS:

We ask candidates to apply online for the position via the School's website at <https://bit.ly/3t9HWe0>

The closing date is Monday 16 October 2023 at 10.00am. Interviews will be held on Wednesday 18 October 2023. A lesson will be taught as part of the interview process, details of which will be forwarded to those short-listed.

Bolton School is a warm and friendly community. We believe it provides an unusually rich experience for everyone involved and we are sure that you will find it to be a fulfilling place to work.

A generous level of PPA is provided which allows members of staff, as valued professionals, to manage their time appropriately and maintain a healthy work-life balance.

We aspire to have a diverse and inclusive workplace to reflect the diversity of our pupils and strongly encourage suitably qualified applicants from a wide range of backgrounds to apply and to join Bolton School. As an equal opportunities employer, we welcome applicants from all sections of the community and are committed to the equal treatment of all current and prospective employees. We do not condone discrimination on the basis of age, disability, sex, sexual orientation, pregnancy and maternity, race or ethnicity, religion or belief, gender identity, or marriage and civil partnership.

Bolton School is committed to safeguarding and promoting the welfare of children. The successful candidate will be required to undertake an Enhanced Criminal Records Check for Regulated Activity.

We look forward to receiving your application.
