

Job Description

Procurement Manager

Directorate:	Finance
Team:	Change & Programme Management
Role Type:	Remote
Reports to:	Change and Programme Manager
Direct Reports:	None
Overall Job purpose:	
<p>The role will assist the Change & Programme Manager to implement Procurement, Contract and Supplier Relationship Management standards, laying the foundation for Cross Keys Homes (CKH) to become a more strategic and insightful partner.</p> <p>Responsible for delivering day-to-day operational activity, which is focussed on internal customer support and guidance, alongside sharing knowledge of public sector procurement and best practice across the business.</p> <p>Having a drive for continuous improvement, this role will offer innovative solutions and share best practice across the organisation.</p>	
Core responsibilities:	
<ul style="list-style-type: none"> • Actively procuring Works, Good and Services contracts. • Providing procurement process and commercial analysis support to change and Programme Manager. • Responsible for leading and working with internal key stakeholders across the business to develop and implement sourcing strategies to ensure that all goods, works and services are procured to the appropriate quality, required service level and best value. • Support the development and implementation of a 'Contract Management Standard' within CKH to ensure we are proactive, efficient and effective in the management of the performance of our contracts to ensure that the desired outcomes and intended benefits are delivered over the term of the agreement. • Support the implementation of all new contracts and ongoing monitoring, ensuring standards and expectations are set. 	

- Develop and maintain relationships with key stakeholders, both internally and externally, to increase awareness of procurement activities and gain support for procurement and contract management initiatives.
- Embed a set of Core KPI's within CKH related to effective contract management. Keep up to date with legislative requirements, advising the team and the business of any changes or updates, whilst monitoring contracts to ensure minimum standards of performance can be measured across the business, as well as ensuring compliance with the Procurement Act.
- Design and deliver training across the business which sets out the minimum contract standards expected of employees and develop refresher training to deliver to all contract managers across the business. To facilitate relevant training on the use of procurement documentation and wider procurement topics.
- Facilitate a compliant procurement function and implement a corporate procurement strategy with the support of the Change and Programme Manager.
- Ensure the successful execution of procurement projects as directed by the Change and Programme Manager; a key activity will be to supervise and enhance the procurement processes, aiming for efficiency and cost-effectiveness in sourcing goods and services.
- Identify risks and potential compliance issues, to secure final resolution and business sign off.
- Manage end-to-end administrative tasks such as award notices, contract signing, upload of contracts on to the register.
- Be able to identify, recommend and champion new and improved ways of working to continuously improve CKH's processes including but not limited to effective contract management.
