

**We see**   
**the person**

**We are brave** 

**We are**  
**creative** 

- We see the person – FitzRoy began with one mother’s belief in her child, and still today we see the unique value in every person we help.
- We are brave – we stand beside people with disabilities and their families, and together we face our challenges, never giving up.
- We are creative – and we dare to imagine a world where people are treated as equals regardless of their disability
